Reino, everyone on the forums is more well known than the majority of nations.

You, however, are more well known than the majority of nations on the forums.

Never seen them before but based on the number of posts I'd say pretty well known.

All stats are canon, except for that income tax. Also, my nation is not some weird amusement park made of fried chicken.

Incredibly incredibly well known in the haunted hellscape of hilarity and hedonism known as F7 by some, tit-pennant flags and penguins being their main harbingers of arrival. Oh yeah, and of course being an enjoyable user to be in the company of. They've also been daring and established at least some form of existence in other areas.

"We won't be taxing, bureaucratic hypocrites forever!"

We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Really well known on F7 and its embassy program. Also nice
dispatches ☐

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.
