News: Days after the coronation of Queen Rose I, fifteen Senators have mysteriously vanished after returning to the Capital from a conference in Christine City. Among them is Phillip "Fighting Phil" Paddock, the Chairman of the Senate Intelligence Committee, who at 98 is the eldest member of the current Senate. President Hinterland issued a short statement of support, joined by Her Majesty the Queen, as the government has executed a number of orders to prioritize the search for the Senators.

Assuming I cannot vote for the Communist Party of Spib, which Spib has banned, I would vote for the following (by ranked choice):

1. Spibean Social Workers Party
2. Spibean Democratic Party
3. Green Spib Party

Like people, Lilguay and its Factbooks are all works in progress. Just be nice and enjoy the creativity, wit, and escapism of yours and others fantasy nations, civilizations, and worlds.
