EGOIST - Bang!!
a.k.a. Build Divide: Code Black anime opening theme.

Just like the title says, it is quite a banger. In fact, I watched that anime precisely because of the song.

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
