The McDonalds Empire is based in an alternate universe where McDonalds took over the United States. It is a tier 8 and a type 7 on this scale <https://forum.nationstates.net/viewtopic.php?f=23&t=453617> and since people but anime girls on their flags I put him in my flag, check the nation "McDonalds empire og flag"

The last letter of the previous location has to be the first letter of your place.
Albania ends with an A, so you can't use Urbandale as your place since it starts with a U.
