QUOTE

Communistic cult of personality.

A Germano-Polynesian nation located on a paradisiac South Sea archipelago and founded on Enlightenment ideals, the Free State of Aision of Aision is a cosmopolitan bastion of liberty and rationalism, notable for its devotion to science, utopian green architecture and costumed superheroes.

Ex Scientia, Sapientia!

Aision is officially secular, and atheism and irreligion is quite common.

My NS stats are **not** indicative of my OOC views. NS stats are meant to be rather silly. My OOC political and ideological inspirations are as such:

The Republic, by Plato | Leviathan, by Thomas Hobbes | The Confucian civil service system of imperial China | The "Golden Liberty" elective monarchy system of the Polish-Lithuanian Commonwealth | The corporatist/technocratic philosophy of Henri de Saint-Simon | The communitarian ideological framework of the Singaporean People's Action Party | "New Deal"-style societal regimentation | Kantian/Mohist/Stoic philosophy
