Their main religion is Tolstoyan, nature-emphasized, and seemingly exclusive to their nation. (Priroditism)

(Also great world-building and fact-book.)

Lizzie is still the Queen, no surprise there, and Princess Di is still alive so that's a plus. My god, why are all the British royals look so weird.

The Avant-Gardist State of Patagonia ~~~ *Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more*

Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
- Not expecting an essay. Just a couple of sentences that shows that you know my work well enough

The Templars Borgians has taken over swathes of Europe (and probably more) under a theocratic, Catholic Papacy, guarded by a private army of swingin' "knights".

In the Region of Dwipantara, music is prohibited, there are rebels for independence and there was a crisis in 1997.

I would not go there.

"Waisnor takes movies and TV series seriously. When "Gravity Falls" ended on 15th of February, 2016, many people watched the finale on TV. On 18th of February was the funeral of this series. People dressed in the heroes of the series carried the coffin to the Sergeyevsky cemetery. There was a small farewell ceremony with the series, and then everyone went home. A year after the end of the series, on February 15, 2017, a monument to the heroes of "Gravity Falls" was erected in the Central Park of Grodno."

They take feature movies very seriously, to the point that they had a public viewing for Avengers: Endgame in the square outside the Parliamentary Building and people practically watched the movie from nearby rooftops with binoculars.

Texas has gone through three dynasties: Harvey, Kelley and Walters, with the later being the current ruling house. They are led by Jerry II, who is rather fond of old world money, which is worthless, but "priceless" in his view.

The Pope is guarded by an order of gay men, two previous pontiffs were openly homosexual one bisexual, our elite special forces are a corps of warrior nuns and two previous pontiffs were women as well...and there's a ~40% our next Pope is a transgender man, but that's not in the factbooks.

Did y'all even bother to read the factbooks at all?
