The Living End, The Jesus & Mary Chain.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Rachmaninoff's Piano Concerto #2 in C minor

"It is the ultimate irony of history that radical individualism serves as the ideological justification of the unconstrained power of what the large majority of individuals experience as a vast anonymous power, which, without any democratic public control, regulates their lives."
