The shape(s) I'm requesting: Spheres  
The flag(s) I'm requesting to be done: Cisselania, Transselania and OTL "Asexual"  
The number of countryballs I'm requesting: 1 of each, all together  
Special Features: In the center, Cisselania and Transselania (one of them could be a female) each have a glass of wine and are happy. In the corner, Asexual (maybe the ball is only half-visible due to the other half off the page) carries a Mosin-Nagant with a scope, and aims it at either of the other two, a bullet is already out and flies nearer to the target.

May the LORD bless you all!!!
