Legal only in beaches for nude people, in a normal one you would get arrested for public indecency and get a large fine

The use of money is strictly illegal here, so that would be a penalty decided based on your situation.

It's not a crime on its own, but you'd likely be prosecuted under civil law and forced to make a public apology and pay for new clothes in compensation.

What's the penalty for defecating in your neighbor's garden/land/yard/property, next to his front door?

Public indecency charges. That means a fine up to \$750 in some cases.

Now, here's my crime.

Randomly, out of nowhere, getting out a port-a-potty in the subway, setting it up, then proceeding to PULL YOUR PANTS DOWN, SITTING ON IT, AND THEN.. well, y'know.

Public Defecation is punished by a fine of £3,000 or imprisonment of not more than 3 months.

Extenuating circumstances are taken into account.

Summary Defenestration. The mechanism of democracy is among the most integral facets of Caleshan government, and attempting to circumvent the security of that system is akin held to the same standard as treason.

Depends on the intention. If it was a general prank, either a short stint in prison or community service. If meant to incite hatred against another group with immutable characteristics/religion, about five years in prison on average and barred from participating in politics, law enforcement, the media, or the military. If meant to profit off it, up to five years in prison.
