NationDates lore apparently goes wild. Indy is engaged with Simonia, but is an abusive partner to her, and is currently cheating on her with NT? Yet Leth wants in on the relationship and is attempting to persuade Indy to dump the both of us for them? However, Simonia is an open cheater as she is in a relationship with Aadhiris, who is in a poly relationship with Statesburg, who is aroace? And, Aadhiris also wants NT, but after seeking advice from his best friend, Verkho, he denied to relationship. Yet, Aadhiris still tries to make romantic moves onto NT despite his refusal for such gestures? The lore expands...

I, the chief of the Forum Seven Police Force (FSPF), declare, and have declared since the founding and establishment of the force, that doubleposting is illegal and punishable by \$50,000 in fines plus life in solitary confinement without possibility of parole. Thus, Indios Bravos cannot legally be summoned as of the time you had written your post.

Alright, now **Indio** can be summoned.
