U2 - The Miracle (of Joey Ramone)
From *Songs of Innocence* (2014)

*I was young
Not dumb
Just wishing to be blinded
By you
Brand new
And we were pilgrims on our way*

*I woke up at the moment when the miracle occurred
Heard a song that made some sense out of the world
Everything I ever lost, now has been returned
In the most beautiful sound I'd ever heard*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

'Weird Al' Yankovic - eBay
From *Poodle Hat* (2003)

*My house is filled with this crap
Shows up in bubble wrap
Most every day
What I bought on eBay*

*Tell me why I need another pet rock
Tell me why I got that Alf alarm clock
Tell me why I bid on Shatner's old toupee
They had it on eBay*

Green Day - Jesus of Suburbia
From *American Idiot* (2004)

*I'm the son of rage and love
The Jesus of Suburbia
From the bible of none of the above
On a steady diet of
Soda pop and Ritalin
No one ever died for my sins in hell
As far as I can tell
At least the ones I got away with*

*And there's nothing wrong with me
This is how I'm supposed to be
In a land of make believe
That don't believe in me*

U2 - Last Night on Earth

From *PopMart: Live from Mexico City* (1998)

*She feels the ground is giving way
But she thinks we're better off that way
The more you take the less you feel
The less you know the more you believe
The more you have, the more it takes today*

*You got to give it away
(You got to give it away)
You got to give it away
(You got to give it away)
You got to give it away
(You got to give it away)
Well, she don't care what it's worth
She's living like it's the last night on earth
The last night on earth*

The Clash - Should I Stay or Should I Go
From *Combat Rock* (1982)

*Should I stay or should I go now?
Should I stay or should I go now?
If I go there will be trouble
An' if I stay it will be double
So come on and let me know*

*This indecision's buggin' me (Indecisión me molesta)
If you don't want me, set me free (Si no me quieres, librame)
Exactly whom I'm supposed to be (Dime! ¿Qué tengo ser?)
Don't you know which clothes even fit me? (¿Sabes que ropa me quedar?)
Come on and let me know (Pero tienes que decir)
Should I cool it or should I blow? (¿Me debo ir o quedarme?)*

The Clash - Lost in the Supermarket
From *London Calling* (1979)

*I wasn't born so much as I fell out
Nobody seemed to notice me
We had a hedge back home in the suburbs
Over which I never could see*

*I heard the people who lived on the ceiling
Scream and fight most scarily
Hearing that noise was my first ever feeling
That's how it's been all around me*

*I'm all lost in the supermarket
I can no longer shop happily*

*I came in here for that special offer
A guaranteed personality*

The Clash - Know Your Rights
From *Combat Rock* (1982)

*Know your rights
These are your rights
Know your rights
These are your rights
All three of 'em*

*And it has been suggested in some quarters
That this is not enough
Well*

*Get off the streets
Get off the streets*

The Clash - Rock the Casbah
From *Combat Rock* (1982)

*By order of the Prophet
We ban that boogie sound
Degenerate the faithful
With that crazy Casbah sound
But the Bedouin they brought out
The electric camel drum
The local guitar picker*

Got his guitar picking thumb
As soon as the shareef
Had cleared the square
They began to wail

The shareef don't like it
Rockin' the casbah
Rock the casbah
The shareef don't like it
Rockin' the casbah
Rock the casbah

Toto - Africa
From *Toto IV* (1982)

*The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
Sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become*

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had*

Health - (Whatever song is currently playing on this stream. I'm not sure. Thinking Victim but not sure)

Album: Death Magic

Genre: Synth Punk, EBM (Apparently industrial music thrown into dance music form), Noise Pop, Electropop, and Electro-Industrial (Bit different selection then their previous stuff, so give them that even though it has become more poppy...Kinda digging it for some reason, though)

Year: 2015

My [Last.FM](#) and [RYM](#)

Look on the bright side, one day you'll be dead~Street Sects

*I don't know
I don't know which side I'm on
I don't know my right from left
Or my right from wrong
Say I'm a fool
You say I'm not for you
But if I'm a fool for you
Oh, that's something*

*Two hearts beat as one
Two hearts beat as one
Two hearts*

U2 - Van Diemen's Land
From *Rattle and Hum* (1988)

Adab
Negotiator

Posts: 7188
Founded: May 28, 2014
Democratic Socialists

*Hold me now, oh hold me now
'Til this hour has gone around
And I'm gone on the rising tide
For to face Van Diemen's land*

*It's a bitter pill I swallow here
To be rent from one so dear
We fought for justice and not for gain
But the magistrate sent me away*

*Now kings will rule and the poor will toil
And tear their hands as they tear the soil
But a day will come in this dawning age
When an honest man sees an honest wage*

*Hold me now, oh hold me now
'Til this hour has gone around
And I'm gone on the rising tide
For to face Van Diemen's land*

R.E.M. - Everybody Hurts

From *Automatic for the People* (1992)

*Sometimes everything is wrong
Now it's time to sing along
When your day is night alone (Hold on, hold on)
If you feel like letting go (Hold on)
If you think you've had too much
Of this life, well hang on*

*Everybody hurts
Take comfort in your friends
Everybody hurts
Don't throw your hand, oh no*

Coldplay - The Scientist

From *A Rush of Blood to the Head* (2002)

*I was just guessing at numbers and figures
Pulling your puzzles apart
Questions of science; science and progress
Do not speak as loud as my heart*

*Tell me you love me
Come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are*

Nobody said it was easy

*Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start*

The Beatles - Because
From *Abbey Road* (1969)

*Ah, because the world is round, it turns me on
Because the world is round, ah*

*Because the wind is high, it blows my mind
Because the wind is high, ah*

*Love is old, love is new
Love is all, love is you*

*Because the sky is blue, it makes me cry
Because the sky is blue, ah, ah, ah, ah*
