I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

Where is the horse gone? Where the warrior?
Where is the treasure-giver? Where are the seats at the feast?
Where are the revels in the hall?
Alas for the bright cup! Alas for the mailed warrior!

*Alas for the splendour of the prince!
How that time has passed away, dark under the cover of night, as if it never were.*
