Unlike ever single song of today? *Sigh* You really need to explore more modern music and not just look on old music. Sure, the mainstream stuff is crap. But mainstream music is 'not music of today' as a whole. There is tons of good music out there, you just need to find it.

I'm listening to the war zone beginning in my neighborhood for the 4th of July, like it does every year. Good ol' livin' in the country in Washington with illegal fireworks being shot off left and right.
