Green Day - Good Riddance (Time of Your Life)
From *Nimrod* (1997)

*So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth, it was worth all the while*

*It's something unpredictable but in the end is right
I hope you had the time of your life*

*It's something unpredictable but in the end is right
I hope you had the time of your life*

*It's something unpredictable but in the end is right
I hope you had the time of your life*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Dead - *Bound To Please*

CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

U2 - I Will Follow
From *Elevation 2001: Live from Boston* (2001)

*I was on the inside
When they pulled the four walls down
Amazing grace
I was lost, I am found*

*Walk away, walk away
I walk away, walk away, I will follow
If you walk away, walk away
I walk away, walk away, I will follow
I will follow*

Bee Gees - Alone
From *Still Waters* (1997)

*And all the wonders made for the earth
And all the hearts in all creation
Somehow I always end up alone
Always end up alone*

*So I play, I'll wait
'Cause you know that love takes time
We came so far
Just the beat of a lonely heart
And it's mine
And I don't want to be alone*

Elton John - Heartache All Over the World
From *Leather Jackets* (1986)

*And it's a wild Friday night
And I'm all on my own
I knocked on every door in town
There ain't one little girl that's home*

*And everybody's got a date
And the ones that ain't are tired
What the hell do you do on a weekend, honey?
When your heart's on fire?*

*And you can go from Tokyo to Rome
Looking for a girl
But it looks to me like the weekend means
Heartache all over the world*

Elton John - Sacrifice
From *Sleeping with the Past* (1989)

*Cold, cold heart
Hard done by you
Some things lookin' better baby
Just passin' through*

*And it's no sacrifice
Just a simple word
It's two hearts living
In two separate worlds*

*But it's no sacrifice
No sacrifice
It's no sacrifice at all*

Toto - I Will Remember
From *Tambu* (1995)

*I was born in the land of the sun, the tall green grass
And I don't understand how all this has come to pass
How we've come to surround ourselves in a sea of thieves
In a land without learning only the fools believe*

*I went driving last night on a dark canyon road
Had the sky to myself but wasn't alone
Had the pain of my lifetime for my company
How did it end up like this for you and me?*

Billy Joel - She's Always a Woman
From *Live at Shea Stadium: The Concert* (2011)

*She is frequently kind
And she's suddenly cruel
She can do as she pleases
She's nobody's fool
But she can't be convicted
She's earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me*

Elton John - Can You Feel the Love Tonight
From *The Lion King: Original Motion Picture Soundtrack* (1994)

Adab
Negotiator

Posts: 7188
Founded: May 28, 2014
Democratic Socialists

*There's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
And there's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours*

*Can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far, oh*

*Can you feel the love tonight?
How it's laid to rest? Oh
It's enough to make kings and vagabonds
Believe the very best
It's enough to make kings and vagabonds
Believe the very best*

Elton John - Your Song
From *Elton John* (1970)

*I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that
Keep it turned on*

*So excuse me forgetting
But these things I do
You see I've forgotten
If they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen*

Elton John - Sorry Seems to Be the Hardest Word
From *Blue Moves* (1976)

*What do I do to make you want me?
What have I got to do to be heard?
What do I say when it's all over?
And sorry seems to be the hardest word*

*It's sad, so sad
It's a sad, sad situation
And it's getting more and more absurd*

*It's sad, so sad
Why can't we talk it over?
Oh, it seems to me
That sorry seems to be the hardest word*

David Bowie - The Man Who Sold the World
From *The Man Who Sold the World* (1970)

*I laughed and shook his hand, and made my way back home
I searched for form and land, for years and years I roamed
I gazed a gazely stare at all the millions here
We must have died alone, a long long time ago*

*Who knows? Not me
We never lost control
You're face to face
With the man who sold the world*

Paul McCartney - Little Willow
From *Flaming Pie* (1997)

*Bend, little willow, wind's gonna blow you
Hard and cold tonight
Life, as it happens, nobody warns you
Willow, hold on tight*

*Nothing's gonna shake your love
Take your love away
No one's out to break your heart
It only seems that way, hey*

*Sleep little willow, peace gonna follow
Time will heal your wounds
Grow to the heavens, now and forever
Always came too soon*

The Clash - I Fought the Law
From *London Calling* (1979)

*Breakin' rocks in the hot sun
I fought the law and the law won
I fought the law and the law won
I needed money 'cause I had none
I fought the law and the law won
I fought the law and the law won*

*I left my baby and it feels so bad
Guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the*
