The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Perturbator - Excess [HEALTH cover]

This is actually my most listened to song of all time according to my Samsung Music stats. I love it so much. The atmosphere is so dark and melancholic. Also, the lyrics are a total masterpiece in my opinion.
