Apologies.

Using a lead radiation shield and thus contracting lead poisoning.

An anthropomorphic crow from hell.

Ravens, I'm saying this because I saw you posting somewhere else that you're quite new to foruming, so a bit of a heads-up: depending on the thread, it's usually not considered good manners to post right after someone posts in response to yours. I don't believe that to be a problem here, but just in case, y'see?
