Nah

Federation of Great Lake States

nuclear War has consumed the Once holy Lands of Russk, The Government reduced to ashes with trace amounts of our church hidden in forts and underground bunkers deep in the tundra, while on the Surface warlords and militias struggle for survival, Food and comfort are a luxury enjoyed by next to none. While in the bunkers that our generals and clergy retreated to when the bombs fell, nothing but schism and starvation await. Will our Holy Regime live on in this Post-Nuclear nightmare?

Hello! You got me! As for your question I have a neutral opinion simply, because I don't know actors that play in the films. I tend to watch movies for the content not for the actors as such I don't have much opinions about them.
