### Don't break the chain

by **Kors** » Tue Aug 10, 2021 6:04 pm

Don't break the chain

Rules: No doubleposting, No Ascii art plz

you say the same thing that AN says. If you say a different thing than AN you start a new chain.

For example:

Nation 1: Hello uwu

Nation 2: Hello uwu

Nation 3: Hello uwu

when someone says a different thing than the chain:

Nation 68: Hello uwu

Nation 69: No furry

Nation 70: No furry

Nation 71: No furry

Let's see how far we can stretch the chain

because it draws my attention to the very topic of following f7 rules, which are almost never enforced from what ive seen. And its usually much more interesting TO follow the rules, but in this case it's more interesting NOT to. That's why these threads last i think.

Yeah, this is kinda a spam thread.  
Following the rules here would be boring and with nothing else to do, there is only lolrandom pooposting

There was a girl named sally. She played NationStates and had a nation, however, one day, she wanted to eat some Spanish food, and was hit by a car after eating a super spicy burrito in the park next to the Mexican restaurant. She died from her injuries. Now she haunts other NS'ers on forums, and makes people sick whenever they eat a burrito. The only way to break this curse is to copy and paste this and send it so 5 people. Hurry! You only have 5 minutes!

If a deal/request/trade cannot be negotiated due to ideological reasons, it would be nice to specify this somewhere. Please reply to Telegram msgs! They help solve a lot of issues.
