As well as being stuffy and snobby

There is no divine feminine.

My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.

11/10 - Very evil indeed, Jerry. I can't shake the feeling that the guy in your flag knows my home address.

THE PEOPLE * ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? We stopped being your slaves an era ago. "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.
