I wouldn't, and I don't think I would be particularly welcome. I'm an atheist in favour of separation and state, and an Englishman.

Yes meow~

We are mutant Japanese kitty cats that have taken over a post-human world which was destroyed due to human hatred towards other humans.

Not much information to go on, but I don't feel like I, a human, would be welcome in a world destroyed by humans. I do like cats, though, if they would have me.

Probably not.

Long live the Republic of Texas, where the Alamo still stands and cowboys roam. We're not all Cowboys though, we have cities like in our banners, with the city of Austin being our capital.

Policies that AREN'T canon:

No Internet.

Sure, I already live in Nevada IRL and its already some strange horrible amalgamation of Texas, California, corruption, and gambling. So I think I'd semi-fit in.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Eh, nah. Probably not. Their financial policies seem confusing and nonsensical.

Yes, seems like a nice place to live

Whilst possible, I'd prefer a less openly progressive place to live, or at least somewhere it's kept civilised and out of my throat. The whole "eco-socialist" thing doesn't imply that in my mind.

No, I can't stand furries on discord, much more IRL.
