Carole King - [Jazzman](#)

The song is on the album "Wrap Around Joy"(1974) not "Tapestry" (1971) as is errantly shown.

Beatles - [Abbey Road Album](#)

Was this the Beatles last album?

It is complicated:

The recording sessions for the album were the last in which all four Beatles participated. Although Let It Be was the final album that the Beatles completed before the band's dissolution in April 1970, most of the album had been recorded before the Abbey Road sessions began.

God, why did I click this for no reason? The chorus is cheesy as hell.
