"And I thought a gentile couldn't be stereotypically Jewish... Mr. Twink Mafiosi here spied on his citizens and then sold their information to companies? Oy yoy yoy... alright, I really don't give a rats ass about this guy's politics. You, like me, are just another cog in the machine... forged by the elite to serve them and interchangeable once we become too rusty to run. The difference between me and you is that you think you're one of the top dogs... You think you're the King on the top of the hill, the puppetmaster. But in your desperate attempt to become the puppeteer, you've failed to see the strings on yourself. No- Not strings. There's a hand up your rear end, and it's slowly moving it's way up to your mouth. Perhaps when you choke on the thing giving you power, you'll finally realize what a waste of a human being you are... Super strength, super speed, shotgun hands... you are perhaps the closest thing man has come to a super in your world, and yet you're content with yourself being an overglorified CEO, perfectly happy to do the bidding of your shareholders while thinking you have the power. Come on... you could be so many things. You could easily be a warlord, ruling over a large portion of Africa with absolute loyalty. You could be a mercenary, dictating the fate of millions through your fight in wars... but no, you're a suit. Just like the rest... Maybe one day, you'll do something interesting with your life, but until then, both of our clocks are going to keep on ticking, with or without us."

"You have been compared to a 'somewhat creepy god'. Ha ha! Indeed, I think it is fit to say that rather than a 'somewhat creepy god'- a thoroughly offensive statement, I will have you know!- I will, from now on refer to you as a 'Very Rude Person, Who Can't Even Tie Your Feet-laces, Or Whatever It Is You Call Them', and all your people will laugh at you, and call you names, and then you'll be sad, and then you'll think 'Wow, I wish I'd never compared myself to a deeply beautiful, all-knowing, and unimaginably wise being, who is way cooler than me, and who I will now worship until I die in, like 50 years or whatever!' But, then I'll say 'Ha ha, puny man's not so cool anymore is he? Wow, you're so *uncool*, normally I'd never let you worship me, but I'm in a good mood, because I'm a really cool god, so yeah, I guess you can or whatever'. The question is already settled for Le Patron. His mind is now at peace, he can see things much clearer now without the delusions of monke sitting on top of his mind. To accelerate beyond this human body; to wipe the slate clean on this little blue planet. How foolish could he be to be led astray from his one true goal by a mere monkey? He smoked a Cuban cig and drank whiskey to deal with the blues. Le Patron sat on his chair while Bush was on the way to meet him on state matters. Now to deal with a loose cannon...

"This Elixir... Mercer, I demand it. You tell me that a decrepit old man like you has the answer to humanity's bane of aging? Why, I must have this, Mercer. The Thousand-Year Superreality will not survive without me, no, I AM REALITY! THE WORLD WILL NOT EXIST WITHOUT ME. Instead of living to create art and to live boldly, you have wasted away your vitality by establishing a police state which

only repress and hold the tide of progress. You are another in the line of tyrants attempting to maintain the status quo. But me? I build nations and glee in destroying them with such elegance. Freedom, Mercer, you'll have to try it once."

The Black Knight, He Who Bleeds Under Black-Sun-Of-Lost-Season

"Why such dismissive tone? He is a fascinating one -- a deity of his own world, yet not completely in charge of his own destiny. Broken, unrepaired, only disguised as a whole. I see possibilities in his path. A psychic, even... So much potential! Do you believe the stars have aligned?"

"I myself do not see a potential comrade in him, no matter how well I know him. No, in fact, the more I know him, the more I'd rather leave him with his goal. He is too fixated on his own beginning of the end to be convinced. Not every esoteric soul can be recruited. Not even I am truly within your ranks, Zhavaropov."

"Oh, the audacity... Once you write for the occult, you never go back, Keightley."

"Ah, yes... Now it's a polar opposite. A wholesome sight, I admit. But in my world, our shattered world, wholesome means uninteresting. My apologies, but Mr. Valentijn is a bit too large for my liking. He stands between me and the Blanketed Sun. I'm cold, smh."

Extension of [Zitravgrad](#), [Dozdcheny](#) and [SS-AAA](#)'s canon, involved as a hidden world beneath Gaiaverse, occupied by a deity of Forbidden Knowledge which is pretty much just an eldritch bush of shadow with one eye, venerated by strange cults and stranger people seeping themselves into global politics in order to begin their Final Destination -- global domination and erasure of borders between Material Plane and other planes of existence. | OOC: Brought back by nightmares, existential crises and more!

"Whoa. I know is hypocritical, but you guys is creepy. All talk about void and darkness and barely any actually mean space! I not see any icky tentacle beasties up here, so I wonder how much of crazy-smoke you have. Seems good quality. Not know much else, other then they write books? At least they not have writer block!" -**Cala Victus Starwalker**

Godulan Puppet #2, RPin as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

"This gaggle of failed authors and ruined oracles is hardly worth My attention. However, as a benevolent and divine goddess, I will deign to offer them My opinions of them- categorically, in detail. Suffer, and wish you had not caught My attention!

Regarding the man known as **Joseph**-frankly-I-don't-care-to-remember-the-rest-of-your-pitiful-little-name, I despise you, you miserable little mocker. How dare you mock the benevolent and sincere powers of the void? Your petty satires are worthless, you're worthless, and your legacy will be forgotten after you die! You think you're so cool, and suave, and handsome, but *really*, you're not, and that's just sad.

As with all oracles, this **Amelia**-woman is only interested in furthering her own fortunes- truly despicable, as they all are. I loathe her, she disgusts me, her vile visions offend me, and- just to put it out there- I am *way* prettier than her, and she's definitely going to grow even uglier one day, and I really don't like her, she's awful, just awful!

Matthais, I could not care *less* about who you really are, the only reason you cover up your petty identity is because you're too ashamed you never learned how to write, and if anyone ever found out, you'd be mocked like that Joseph-who-I-hate mocks better beings-... except, you'd be a *lesser* being, because you're really lame and no one likes you, and also, I really don't like you, you're really bad at writing and should just give it up and go back to your day job. Because you're bad at writing. Like, really bad. Just stop.

Felix, that pompous fool, I have nothing to say about him- he lies, and he'd cry if I told him how I feel. He might *think* that I think he's attractive, and that his poems sound like that one little bit of yawn he does when he wakes up... with that really cute, silly look he makes- it's like, he's not really up yet, and he's still got those dreams in his head... and... and... then, when he gets up, you see just a little bit of his beautiful chest, and- that is to say- he's *really*-... unattractive, and I don't like him one bit, he's an idiot, and I don't like him! But that floxy, **Rosa**-idiot-awful-bad-not-worth-mentioning-forget-whatever-I-said-about-Felix, she is just the worst- seducing some young goddess into inhabiting her body!... it's absolutely disgusting, and quite frankly is worth a lot more scandal than its caused. Personally, if not for her absolutely *shameless* displays of sexuality and salaciousness, I believe she'd be a perfectly fine follower. But, unfortunately, she has chosen to debase herself and that poor, innocent goddess who seems held hostage by her."

-Ilitu, the Great Goddess Who Leads, it's never good to judge people like that.

Edit: Ninja'd, guess I'll add more...

"To prevent a repeat of the *last* time you bothered me with your presence- a disquieting affair, I assure- I will keep my opinion of you brief, and to the point. You, dear sir, are awful, and any continued comparison between yourself and a pure, amazing, and benevolent deity such as Myself will- see, the thing is, it hurts My feelings when you do that, and... I'm sorry, you're probably not that bad, and I just negatively... I will give you the benefit of the doubt, I suppose..."

-Ilitu, the Great Goddess Who Leads, not embarrassed in the slightest.
