Yeah, while it's too Libertarian for my liking, I'd definitely cope well enough and last in a nation like that.

Look at that creepy flag. I don't want to meet whoever that is.

Definitely not.

A Marxist-Leninist socialist revolution, led by the Scarlet Sisters, happens in Gensokyo! Now, what's next? How will the Spellcard Rules and the relationship between the youkais and the humans change under a Marxist paradigm? How will the need to gather faith be reconciled with Marxist dialectical materialism? And will Marisa and Reimu again come and rescue the day? Will this simply be hushed up as another "Incident", or a permanent change for Gensokyo?
"Faeries and youkais of Gensokyo, Unite!!!"
