When the Government is too scared to commit to any side in WWI but one million Americans still go to fight anyway.

Those who go abroad to fight for freedom, liberty and the happiness of humanity are deserving of all the world's gratitude and admiration.

Jewish-Persian Transitional Authority established in Syria, will remain under military rule by occupying powers until Syria is surrendered to direct UN authority "before November".

"Surrender" "before November". Uh, yeah... *sure they will.*

Welcome to the Dunwich Las Vegas Branch Offices, a "nation" inside a single building in New Vegas. (Might be more apt to call it a "death trap" than a building, though.)

We're best known for our feuding gangs, widespread practice of cannibalism, chronic mental illness, radiation poisoning, rampant chem abuse, and people killing each other just for food and water. But did you know that we also have non-Euclidian geometries, social experiments, a rich history of conspiracy and sordid affairs, eldritch horror, and chems made from modified FEV?

Come to the Dunwich Las Vegas Branch Offices! You'll be violently assaulted by starving cannibals in 30 minutes or less! Guaranteed!
