The classic Ricard Wagner the Rides of the Valkyrie.
Can't play BF 4 without this cool classy music!

Supposed to be 90 today ☐

Though yesterday was supposed to be in the 80's and it got to like 75, though it was freaking humid...

I remember one year up here my dad and I went hiking the day before July, and it was like 55 and raining out...Was kinda weird. Weather can be very jumpy here. Sometimes we have super mild summers. I don't think we had anything hitting 70 until like mid August one year, and having a bit of an 80 period took until like mid September...

Then there's years that throw in 90 early...Like this year (Had a 90 degree day out of the blue in like freaking April or May)
