I don't know.

Current date: 3rd of July 2981.

**News:** Bulgarians became the second biggest ethnic group in the People's Commonwealth of The Five Nations and overtook the Koreans.

**True policies of my state. I don't use NS Policies.**

No. Though low relative to most nationstates, those tax rates are still higher than what I pay at home. Also, the red star on that girl's cap is not encouraging.

Maybe just maybe

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

No

Dagine is a Socialist nation that has a lot of political freedom and civil rights. Thank you [Brusseldorf](#) for redesigning my official flag. They did so without me asking.

No. I'm not a fan of autocracies, I'm anti-polygamy, pro-choice, anti affirmative action, pro nuclear power, anti cannabis and anti corporal punishment. I also just don't consider their monarchy legitimate at all.
