Crime: Eating the holy Potato rather than the Disgusting Onion or Tomato

Our punishment: Execution by old age, minimalist food to survive being fed once every 2 weeks, and rituals to make sure they go to hemck for eternity in the afterlife.

/still me, as AAN did not give a punishment for the crime, and AN isn't even paying attention to the nature of the thread.

May start from community service, to 2 years hard labor and imprisonment. If the cause is because of mental illness, then its punished with psychiatry sessions.

No such thing as "illegal" immigration, barring some exceptions, but even that is not something that results in punishment in and of itself.

Well, since "Frenchman" is an Arpasian, abetting any people in fact, is wrong. The level of punishment for this may vary between levels of crime.

Nobody cares, it happens all the time. Profanity is like half our vocabulary. It's pretty common for people in Dunwich to drop f-bombs somewhere like every other word. It isn't a thing anyone really cares about.

I'll use something else that happens over here all the time for the BN: While starving - murdering and eating your neighbor.

Welcome to the Dunwich Las Vegas Branch Offices, a "nation" inside a single building in New Vegas. (Might be more apt to call it a "death trap" than a building, though.)

We're best known for our feuding gangs, widespread practice of cannibalism, chronic mental illness, radiation poisoning, rampant chem abuse, and people killing each other just for food and water. But did you know that we also have non-Euclidian geometries, social experiments, a rich history of conspiracy and sordid affairs, eldritch horror, and chems made from modified FEV?

Come to the Dunwich Las Vegas Branch Offices! You'll be violently assaulted by starving cannibals in 30 minutes or less! Guaranteed!

Not a crime on a federal level, but certain states in the American South have criminalized it and the punishment can vary from a fine of \$500 to 6 months in prison.

Starting up a private morality police organization and disturbing the public

Depending on what you do, you can get a sentence of imprisonment from six months for less major disturbances to a decade for more serious disruptions.
