I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

Kiev

The Free Imperial City of Aachen is a small nation composed of the city of Aachen and surrounding rural towns. We are devoted to our independence and have an unusually large military for our size. We are also allied with many other small nations and have our strength in our numbers. We generally support the right of other nations to do as they please so long as we remain unaffected.
