I'm going to say Canada or the eastern US, just because you seem to be most active around my morning, lunchtime, and evening. Maybe Mountain Time, though, there's a chance.

The Celestial Empire of the Arians - Arian Empire

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. The government is led by Amaranthinos, an immortal sorceress who was once a marshal of the army. She is known for her forced conversions of entire worlds and is famous for managing a harem.

[Overview](#) | [The Leader](#) | [The Party](#) | [The Military](#)

Basque country

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrophestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?
