You like Xasthur, too?

I'm listen to the full *Roots* album by Sepultura right now. I like *Ratamahatta*. :3

Yes, Xasthur is great.

Continuing with my Tankard marathon now though.

"The Small Print"--Muse

This song is so angry...

Seriously underrated Muse song right here.

Probably one of my least favorite Muse songs honestly but I actually think I would enjoy it more now then I used to.
