Closest answer so far! I was born in London but no I don't live there and neither do I live in any other big city. It is however a bit near to London though.

Imagine all of your worst middle school moments. But in a former war zone.

This nation does not reflect my irl views. It is for RP in my region. I am a centrist irl.

Everyone always uses the black market factbook...

"LoL yOuR nS iSn'T pOsSiBIE!" Really? I had no idea!

I'm not the greatest at getting down all relevant information in a factbook so if anything needs clarifying or explaining just ask me in TG's.

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of

Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.
