I normally loathe Billy Joel, I'm not sure what's wrong with me this morning.

*Generally Misinformed.*

Russian Post-Punk playlists on Youtube. Molchat Doma is good.

An alt-America that had a grand bargain struck with London in the 1760s and remained under the British Crown (Turtledove's "The Two Georges"), mixed with some of Sobel's "For Want of a Nail" and a lot of the anthology "Columbia and Britannia," the sci-fi NZ novel "Anno Domini 2000 or Woman's Destiny", and cameos of other alternate histories. "The Rock of the Britannic Commonwealth," an alliance of Britannic and former colonies as partner-nations in personal union and/or in association.

Tech level: MT+  
NS stats: mostly policies  
IC/RP name: North American Union (NAU).  
IC/RP main supranational IGO: United Britannic Commonwealth of Nations.  
NSverse organization member/agreement signatory: CAPINTERN, IFTC, ICDN, ECO, IBA, Amistad.
