One of the few nation's with a frightening economy, without a single car. One of the most developed nations, but our government is corrupt as fridge. Tourist hot-spot, but the ruler Vindalbal II refuses to even put basic footwear on. Environmentalist, Nationalist, Vincarcacist, Gladesville. PewDiePie is also a nasty person.  
Reaches about 0.16695572432 on the Greenness Index.

Unitary parliamentary constitutional [Nordic] monarchy, because  
Lego=Denmark in my mind when it comes to countries.

EDIT: Just realized IC flag link was there, looks like a socialist republic or an  
otherwise federalized government of some kind.
