They only have 3 posts outside of F7 and 6 posts in F7, I think it's fair to say they're pretty unknown.

I see them all the time here in F7, and they're very nice and zany. I'd say they're famous-ish?

By virtue of their age(almost a full decade older than my nation) and their sheer posting amount, very well known. Although I don't really remember you, I hope I get to know and recognize you as a great contributor to NS.

With the puppet alone, probably a 4/10. BUT since it's Outer Sparta, I would say pretty good 8/10 - known across Issues, Security Council, and the like.

Ah, here we are, a nation that I think everyone on F7 is well acquainted with and likes. How's your day going, VZ? Haven't seen you in a while.

Very well known, I'd have to say!

Through a haze of green and white fog and the sloshing of the Pacific Ocean on the sides of your wooden sailboat, you lay eyes on a mystical OOC

island full of creatures living in a medieval society in harmony with both nature and progress formed a millennium ago and kept moving forward by new human residents every couple years. New human residents quite like you.
