I think of RPG games, it kind of looks like the UI from one of those in the best way possible

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: viewtopic.php?f=4&t=482842&Start=1

Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)

Our original flag was Ceuta's flag. We liked the Ancillary Sphere, so we kept it. The central-asian banner thingy, I liked it. It gave the flag a certain regal look to it.
