I like the original song! The darkest in his entire catalog.

Michael Jackson - Stranger in Moscow
From *HIStory: Past, Present and Future, Book I* (1995)

*Here abandoned in my fame
Armageddon of the brain
KGB was doggin' me
Take my name and just let me be
Then a beggar boy called my name
Happy days will drown the pain
On and on and on it came
And again, and again, and again
Take my name and just let me be*

*How does it feel (How does it feel)
How does it feel
How does it feel
How does it feel
How does it feel (How does it feel now)
How does it feel
How does it feel
When you're alone
And you're cold inside*

*You're the fear, I don't care
'Cause I've never been so high
Follow me to the dark
Let me take you past our satellites
You can see the world you brought to life, to life*

*So love me like you do, lo-lo-love me like you do

What are you waiting for?*

The Clash - Rudie Can't Fail
From *London Calling* (1979)

*I know that my life make you nervous
But I tell you that I can't live in service
Like the doctor who was born for a purpose
Rudie can't fail*

*I went to the market to realize my soul
What I need I just don't have

We say Rudie can't fail*

Duran Duran - Ordinary World
From *A Diamond in the Mind: Live 2011* (2012)

*Came in from a rainy Thursday on the avenue
Thought I heard you talking softly
I turned on the lights, the TV, and the radio
Still I can't escape the ghost of you*

*What has happened to it all?
Crazy someone say
Where is the life that I recognize?
Gone away*

*But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world
I will learn to survive*

U2 - Tryin' to Throw Your Arms Around the World

From *Achtung Baby* (1991)

*Nothin' much to say I guess
You're just the same as all the rest
You've been tryin' to throw your arms around the world
And a woman needs a man
Like a fish needs a bicycle
When you're tryin' to throw your arms around the world*

*I'm gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you
I'm gonna run to you, run to you, run to you

Be still

I'll post lyrics since that seems to still be going strong on this thread:

*Phallus Dei,

And whom God mourns.*

The Satanist - Behemoth

Genre: Blackened Death Metal
Album: The Satanist

I descended from the Mount Sinai

Unleashed the splendour upon a scroundel mob
To shelter where no messianic light
Drove one single ray into the pulp ov life
O sweet Salome I beckon thee
Bring forth thy heinous offering
Without your love
So incomplete
Corrupt me with your dignity

Genre: Blackened Death Metal

Album: The Satanist

*Hearken dogs ov Nazarene
Linger at St. Peter's door
Partake from the well ov nothingness
Bite the withered hand ov god
Ascend shall I unto the heavens
Exalt my throne above his celestial display
Sit shall I upon that mount ov congregation
Far toward the north*

U2 - Moment of Surrender

From *No Line on the Horizon* (2009)

*I tied myself with wire
To let the horses run free
Playing with the fire until the fire played with me
The stone was semi-precious
We were barely conscious
Two souls too smart to be in the realm of certainty
Even on our wedding day*

*We set ourselves on fire
Oh God, do not deny her
It's not if I believe in love
But if love believes in me
Oh, believe in me*

*At the moment of surrender
I flooded to my knees
I did not notice the passers-by
And they did not notice me*

One Direction - What Makes You Beautiful
From *Up All Night* (2011)

*Baby you light up my world like nobody else
The way that you flip your hair gets me overwhelmed
But when you smile at the ground it ain't hard to tell
You don't know, oh oh
You don't know you're beautiful*

*If only you saw what I can see
You'll understand why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know, oh oh
You don't know you're beautiful, oh oh
That's what makes you beautiful*

From *The Beatles* (1968)

*Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise*

All your life
You were only waiting for this moment to be free*

Toto - Africa
From *Live in Amsterdam* (2003)

*The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become*
