Linkin Park-The Requiem

Not a group I listen to often, but enjoyable nonetheless.

That's like the only album of Linkin Park I actually like some of their songs (A Thousand Suns, or whatever). Most of Linkin Park I don't care about.

...what?

Listened to this song. Still not sure what to think. I have to honestly say very cool mix of music, but eh, it's the kind of vocals I don't really get into though . But I think these guys have really good talent, and it was definitely a song worth experiencing.

I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.
