Negative

Nation Simulation?

nuclear War has consumed the Once holy Lands of Russk, The Government reduced to ashes with trace amounts of our church hidden in forts and underground bunkers deep in the tundra, while on the Surface warlords and militias struggle for survival, Food and comfort are a luxury enjoyed by next to none. While in the bunkers that our generals and clergy retreated to when the bombs fell, nothing but schism and starvation await. Will our Holy Regime live on in this Post-Nuclear nightmare?
