Bangladesh.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

Worshippers of the cult of AK-47

A Utopian German nation , with a constitutional Monarchy with the PM as head of executive. A nation with a melting pot of cultures , ecosystems etc. | Named after the great Astrakhan Khanate. Adios!!1

Germany, but more than it seems.

We stand not for kings and for lords, but against them. We fight not for race and oppression, but to smash them. We struggle to bring freedom back in the hands of the people, on the riverbanks, up in the mountains, and out on the sea.

The point is not to make a perfect world, just a better one - and that is difficult enough.
