MEXICAN EMPIRE | IMPERIO MEXICANO

Once the jewel of the Spanish Empire, Mexico now finds itself in desperation. After losing thousands of its sons in defense of the northern territories and ousting the president fifty different times, Mexico had enough. Following the foreign intervention, Mexico's restored Empire seeks vengeance on his enemies and intends to show the world that the eagle still has its claws! Igualdad en la Justicia!

Set during the 1860s. Basically an alt-history Mexico where the 2nd Mexican Empire doesn't fall.
