Ladies and gentlemen, with greatest sorrow of all time in the entirety of my life as a conscious human being living on a planet spinning at the speed of approximately 1,674 km/h named "Earth", I must, say, unfortunately, sadly, terrifyingly, awfully, badly, and unhappily, that I have eaten a yellow object called by another of my fellow human being, banana.

TEXAS - goodbye, everyone :)

Somewhat based

It was not long before the story was relayed to Texas Red.
The swiftness of the boomer was deadly with a big iron on his hip
It was over in a moment and the folks had gathered around, there before them laid the body of the outlaw on the ground. I quote Big Iron because i am a fan of western music.
