Take the power back
RATM

"what I believe is like a box, and we're taking the energy of our thinking and putting into a box of beliefs, pretending that we're thinking...I've gone through most of my life not believing anything. Either I know or I don't know, or I think."
- John Trudell

Gun control is, and always has been, a tool of white supremacy.

Through Silver in Blood, Neurosis.

oh boy

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our

art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
