I usually go "Ehh, let's just try and stay up all night..."

2 hours later:

"Why the hell did I do this again?..."

I think the longest I stayed up was about 36 hours straight.

I live on the Internet a huge chunk of the time, even if it is doing absolutely nothing "useful" all day which can be annoying when I look back on the day.

We live similar lives. The outside world is for weenies. I have everything I need inside. If I want clothes or such things, I order it.

Portal 1 was better then the 2nd! The 2nd got too much humor!

No, Portal 2 was better!

They're both great!

But 1 was still better!

No, 2 was!

God people shut up.

I don't go to school or do online school, but some of those, like adjusting my life and becoming nocturnal kind of depend the day and if I'm having sleep problems and whatnot.....Like tonight I'll be nocturnal, though I'll be up for a lot of the day tomorrow, too ☐

### [Destruction - Confused Mind](#)

I should've gone these albums through years ago. I'm way too lazy for my own good. Next in line: Destruction's The Antichrist, Kreator's Endless Pain and Pleasure to Kill , Sodom's Agent Orange and M-16 and Nuclear Assault's Handle With Care.

It's kinda ridiculous that I've said Destruction is one of my favorite bands for the past 6 years but I've listened to only like... 15 songs by them? This is one of them!
