“

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

Libertarian, though a candidate from either the Free or Walrus factions of the Liberals would likely earn a second- or third-place ranking on my STV ballot.
