Towards a New Socialism

By Paul Cockshott & Allin F. Cottrell

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Ironic

Alaska

The Tsardom of

Царство Аляски, or the Russian Empire lives on in it's old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with it's allies against the Moscow Accord of Russia and it's alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitised with the conservative status quo, and their insistence on clinging to a now redundant past.
