That's when I first came across it too. It's one of the few bands from then that has passed the test of time for me, along with Disturbed.

A death metal band attempting a Pink Floydian ballad? Yes, and it's great.

Led Zeppelin - Stairway to Heaven

Solo in the end is basically the only thing why this song gets 4/5 instead of 3/5. With different vocalist I might give 5/5.
