[Kontrast - Face and Filter](#)

I've got such a musical fetish for bass guitar.

Would've posted more earlier but was watching my dad, and then went onto watching some flooding videos. Crazy stuff.

[Tomahawk-Ghost Dance](#)

Been a long time since I heard this album. Forgot how much I dig it.

I'm asking to give myself strained eyes. Turned off all my lights, turned on my weird Lumin Disc light which I just recently remembered the name of, and put it near my speakers so it could flash in response to my music because it is strangely entertaining to watch. All while my head already feels kinda off.
