Man refutes these accusations and everyone in the room becomes angry at Jeff for defying the will of our mighty Man.

The Man kills his neighbour, then retires from being Florida Man. He clones himself and has his clone act as the new Florida Man, while the original leaves this world

He was a dark and stormy knight, and this excited Gwendolyn, but admittedly not as much as last night when he was Antonio Banderas in drag, or the night before that when he was a French Legionnaire who blindfolded her and fed her pommes frites from his kepi.
