More than friends, they become one! All of a sudden, the two merge into one man with the memories and knowledge of the two men they once were.

Fused Man is the new man.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

Bob suddenly wonders why the hell he has "masters". He lives in a democracy encompassing the Earth and beyond, so why must he be a slave? Is slavery even legal? WHAT?!

Bob gets a panic attack and then wakes up. It was all a bad dream.
