I'd know if I had a factbook to go off. Assuming they're mutualist... maybe, if they can guarantee me some right to self-defense. It's not my first pick but I guess it's not the worst one either, it's not North Korea.

Secondly even if it weren't I fail to see how such comments about Muslims a. are true any more than of any other group of people (as happens, all religious groups are capable of doing that) and b. are relevant to whether you'd live in the American south. So all in all 0/10 bait, see me after class for how to really destroy a forum, which I have experience in from my moronic teenager days.

BN: Check the "You know you are Ukrainian when..." fatbook

The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.
